ASTRAL GOCARDLESS

Astral GoCardless seamlessly integrates Microsoft Dynamics 365 Business Central with GoCardless

With Astral GoCardless, collecting Direct Debit payments has never been easier! GoCardless supports Bacs, SEPA, BECS, Autogiro, Betalinsservice, PaymentsNZ, PAD and ACH Debit, providing you with easy international payments.

It's time to take control of your cash flow!

THE GOCARDLESS ADVANTAGES...

No more chasing payments

GoCardless users spend 84% less time chasing unpaid invoices.

Save time on admin

GoCardless users spend 76% less time reconciling payments.

Control cash flow

82% of GoCardless users have improved their business cash flow.

SUCCESS+

On average, 15% of card payments fail.

Success+ is a GoCardless feature that uses recurring payment intelligence to predict and manage payment failures.

With Success+ you could recover, on average, 76% of failed payments.

49% of businesses are frustrated by the pain of collecting payments abroad.

GoCardless' Borderless Payments means that you can collect Direct Debit payments abroad and settle them back in your home country, with FX dealt with automatically.

Take the pain out of international payments!

The screenshot displays the Dynamics 365 Business Central interface for 'CRONUS UK Ltd.' in a 'Sandbox' environment. The top navigation bar includes 'Finance', 'Sales', 'Receivables', and 'Setup'. A secondary navigation bar lists various business functions like 'Sales Invoices', 'Sales Journals', 'Cash Receipt Journals', 'Customers', 'Notifications', 'Mandates', 'Payments', 'Refunds', 'Subscriptions', 'Payouts', 'Posted Sales Invoices', and 'Posted Sales Credit Memos'. A notification banner states: 'This is a sandbox environment (preview) for test, demo, or development purposes only. Don't show this again.' The main content area features a 'HEADLINE' with 'Good morning!' and 'ACTIONS' such as '+ Sales Invoice', '+ Mandate', '+ Subscription', '+ Reports', '+ History', '+ Sales Credit Memo', '+ Payment', '+ Tasks', '+ Setup', and '+ Excel Reports'. A dropdown menu is open for 'GoCardless Schemes', showing options for 'Setup', 'GoCardless Creditors', and 'GoCardless Schemes'. Below this is an 'Activities' section for 'GoCardless' with four key metrics: 'PAYMENTS IN PROGRESS AMOUNT' (£0), 'OVERDUE SALES INVOICE AMOUNT' (£126,361), 'CUSTOMERS WITH MANDATE %' (3.85), and 'AVERAGE PAYMENT DAYS' (56.5). Each metric has a '> See more' link. The 'NOTIFICATIONS' section shows 'UNPROCESSED NOTIFICATIONS' (0). The 'CURRENT PAYMENTS' section shows 'NOT SENT' (0), 'IN PROGRESS' (1), and 'FAILED' (0). The 'REFUNDS' section shows 'NEW OR IN PROGRESS' (0). The 'PAYOUTS' section shows 'IN PROGRESS' (0). The 'INVOICES FOR PAYMENT' section shows 'OVERDUE INVOICES' (6) and 'DUE NEXT WEEK' (0). The 'MANDATES & SUBSCRIPTIONS' section shows 'INCOMPLETE MANDATES' (0) and 'INCOMPLETE SUBSCRIPTIONS' (0). At the bottom, there is an 'Insights' section with 'My Customers' and 'Power BI Reports' (with a link to 'Get started with Power BI').
